

## Beach Supplies

For your convenience, we have equipped condo with a selection of beach items for your use. Hopefully this will assist you in planning what you need to pack and bring with you for your vacation. Please use all these items as you need them. The only thing we ask is that you use them with care and please remember that another family will be using them afterwards. Please be courteous to them. We do understand that accidents will happen...and that's ok! If something becomes damaged or destroyed, please let us know as soon as possible so that we can make arrangements to replace. We'd like all of our guests to have access to everything when they arrive.

	Coleman 28 quart cooler
	This is an awesome little expandable, wheeled cooler. It will hold approx 60 cans of beverages.
	A great oversized insulated hot or cold tote bag. Please be aware of the special cleaning and care instructions that are included inside the tote.
	There are 2 of these small, lightweight folding sand chairs. Great for the kids.
	There are 2 of these tall back 3 position, sand chairs. Will accommodate up to 225 lbs.
	Also 2 of these traditional pvc lounge chairs.

	<p>There are 3 of these collapsible, canvas camping style beach chairs. Will accommodate up to 200 lbs.</p>
	<p>These are the Rolls Royce of lounge chairs.....anti-gravity chairs. You won't want to get up out of them. Please use them only on the property around the condo. Set them up under the pines n the backyard....read a book or just watch the golfers. These are NOT designed to be taken to the beach. They are a little heavy to carry as well....they weight approx 40 lbs each. We have 3 of these for your use.</p>
	<p>We have a 7 ½ ft beach umbrella. You may need more than one depending on how many of you go to the beach. They are readily available at WalMart, just 10 minutes from the condo.</p>
	<p>Don't use your umbrella without its anchor!! The winds get strong sometimes and without an anchor, it may very well blow away!</p>
	<p>Bocce!...the BEST beach game. Use the hard sand by the beach as tide recedes and you'll have a ball. We have a full size, professional Bocce set for your use. You'll be Italian by the time you leave!</p>

In addition, we also have a number of beach blankets, mats, and beach towels for your use. We would ask you to refrain from bringing any of the bathroom towels or either the beach or pool. Please use the beach towels and also please return them to the closet cleaned prior to your departure so that another guest can use them as well.

The refrigerator does have an automatic ice maker, however, it does not have sufficient capacity to produce enough ice to supply all the coolers on a daily basis. We would suggest that you fill your coolers with block ice or cubes available at numerous merchants, grocery and convenience stores near the condo and on the way to the beaches. Keep the cubes in the condo for a refreshing cold beverage out on the patio when you return.....you'll certainly need it!

Most important.....HAVE FUN!!
